

## **Risk Disclosures: Certain Risk Factors**

**AN INVESTMENT IN A CRYPTO ASSET INVOLVES A HIGH DEGREE OF RISK. PROSPECTIVE PURCHASERS SHOULD CONSIDER CAREFULLY THE RISKS DESCRIBED HEREIN, TOGETHER WITH ALL OF THE OTHER INFORMATION CONTAINED IN THIS AGREEMENT AND THE INFORMATION MATERIALS BEFORE MAKING AN INVESTMENT DECISION. THE FOLLOWING RISKS ENTAIL CIRCUMSTANCES UNDER WHICH, THE BUSINESS, FINANCIAL CONDITION, RESULTS OR OPERATIONS AND PROSPECTS OF THE HOD GROUP COULD SUFFER. THE FOLLOWING IS NOT AN EXHAUSTIVE LIST AND DOES NOT NECESSARILY REFLECT THE RELATIVE IMPORTANCE OF THE VARIOUS RISKS FACTORS.**

**OTHERWISE THAN AS EXPRESSLY SET OUT HEREIN, THE COMPANY SPECIFICALLY DOES NOT REPRESENT AND WARRANT AND EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE INFORMATION MATERIALS, THE PLATFORM AND THE TOKENS, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATIONS OR WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR AS TO THE WORKMANSHIP OR TECHNICAL CODING THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT.**

**There is a significant risk that the Tokens and the Platform do not develop as envisaged herein. The Information Materials reflect the Company's current intention with respect to the development of the Tokens and the Platform, including as to such matters as the scale and scope of the envisaged activities, the jurisdictions in which the various operations will be based, the jurisdictions in which they may operate and the jurisdictions in which their customers are based. The Company, in the sole and absolute discretion of the Board of Directors, reserves the right to modify, extend, reduce, eliminate, add and/or substitute the scale, scope, business lines, operations and any other characteristics of the Tokens and the Platform in order to address any actual or perceived commercial, legal, regulatory or other matters that the Board of Directors, in its sole and absolute discretion, considers relevant at any time.**

**The Company may issue Tokens even if there are material changes to the scale, scope, business lines, operations and any other characteristics of the Tokens and/or the Platform or if the Company or its Affiliates have not satisfied (or are unlikely to satisfy) any Regulatory and Funding Requirements or any other regulatory, commercial or legal requirements with respect to the Tokens and/or the Platform. While the Tokens are available only to purchasers that are not Prohibited Persons**

**BY PARTICIPATING IN ANY ACQUISITION OF TOKENS, YOU EXPRESSLY ACKNOWLEDGE AND ASSUME ALL RISKS RELATED THERETO INCLUDING (WITHOUT LIMITATION) THE RISKS SET OUT BELOW.**

a. No guarantee that Tokens will be released. Many factors could influence the success of the Company in developing the Tokens, some of which are out of the Company's control, and there can be no guarantee that the Company will ultimately be successful in deploying and delivering the Tokens. The Company may change its plans for issuing the Tokens for a variety of reasons, including a change in business plan, technological challenges, lack of perceived demand, or other reasons. Finally, if the Company ceases operations, agrees to assign its assets and liabilities to a third party for the benefit of creditors in the case of insolvency, or engages in a liquidation or winding up, it may never issue the Tokens. If the TIE does not occur or for other reasons the Company does not issue the Tokens as planned, investors will not receive some or all of their Tokens. The Company has sole discretion to determine when, or if, the TIE occurs.

b. No guarantee on when or if the TIE will occur: There are no guarantees as to the timing (if ever) of the TIE or the release of the Platform, each of which is dependent on many factors, including many outside the Company's control.

c. Risk of Losing Access to Tokens Due to Wallet Incompatibility: Your cryptocurrency wallet must possess technical infrastructure that is compatible with the receipt, storage and transfer of the Tokens. Non-compatible wallet addresses will not be accepted. In addition, your wallet address must not be associated with a third party exchange or service that has custody over the private key. You must own the private key if your address is an exchange address. The Company reserves the right to prescribe additional conditions relating to specific wallet requirements at any time, acting in its sole discretion.

d. Risks Associated with the Blockchain Protocols: Any malfunction, breakdown, abandonment, unintended function, unexpected functioning of or attack on the protocol upon which the Tokens are issued may have an adverse effect on the Tokens, including causing them to malfunction or function in an unexpected or unintended manner.

e. Risks Associated with Your Credentials: Any third party that gains access to or learns of your wallet login credentials or private keys may be able to dispose of your Tokens. To minimize this risk, you should guard against unauthorized access to your electronic devices. Best practices dictate that you safely store private keys in one or more backup locations geographically separated from the working location. In addition, you are responsible for giving us the correct wallet address to which to send your Tokens. If you give us the incorrect address to which to send your Tokens, we are not responsible for any loss of Tokens that may occur.

**Risk of Theft and Hacking:**

i. Smart contracts, software applications and the Platform may be exposed to attacks by hackers or other individuals, groups, organizations or countries that interfere with the Platform or the availability of the Tokens in any number of ways, including denial of service attacks, Sybil attacks, spoofing, smurfing, malware attacks, or consensus-based attacks, or phishing, or other novel methods that may or may not be known. Any such successful attacks could result in theft or loss of Tokens, adversely impacting the ability to further develop the Platform and/or related Platforms and derive any usage or functionality from Tokens. You must take appropriate steps to satisfy yourself of the integrity and veracity of relevant websites, systems and communications. Furthermore, because the Platform is based on open-source software, there is a risk that a third party or a member of the Company's team may intentionally or unintentionally introduce weaknesses or defects into the core infrastructure of the Platform, which could negatively affect the Platform and Tokens.

ii. You acknowledge, understand and accept that if your private key or password gets lost or stolen, the Tokens associated with your wallet address may be unrecoverable and permanently lost. Additionally, any third party that gains access to your private key, including by gaining access to the login credentials relating to your wallet, may be able to misappropriate your Tokens. Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store Tokens, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your Tokens, for which the Company shall have no liability.
